

January 13, 2021

Good morning Families,

I want to express how saddened I am to hear and see such devastation here in Taholah. I cannot imagine what it was like to have to evacuate your home and get to safety with your families. I know that I speak for all Taholah School staff when I say, we are sending our positive thoughts and prayers to you and your families. We want you to know that we care about the well-being of all of our students and families.

For those that have been evacuated from your home, please know the school would like to work with you regarding school meals (if needed) and attendance during this time. Please give us a call or email when can and let us know that you are first and foremost safe. We can then discuss your situation and how we can help during this difficult time.

Again, be safe and know that we are thinking about you and your family.

Respectfully,  
Patti Larriva  
Superintendent/Principal
