

TAHOLAH SCHOOL DISTRICT #077
DIRECTORY INFORMATION

During the school year your child may make headlines as a hero of the big game, or he or she might win an academic honor. Often stories about what is happening at school will feature students. We also might want to use your child's name or may get a great photograph of video of your child that we'd like to use in a school district publication.

The Federal Family Rights and Privacy Act (FERPA) permits school districts to release "Directory Information" to certain people or institutions, such as the news media, unless the child's parent or guardian requests that such information not be released. "Directory Information" includes the following:

Student name, address and phone number	Dates of school attendance
Date of birth	Degrees and awards received
Major field of study	Participation in officially recognized activities
Publishing student names in the school newsletter	

Taholah School District will not release student information for commercial or other purposes. The purpose of a release will always be related to the conduct of school business.

If you do NOT want us to release "Directory Information" and/or publish your child's photo, and/or release video of your child, please complete and return this form as soon as possible. OTHERWISE, IT IS NOT NECESSARY TO TAKE ANY ACTION. If you have any questions, please call the district office at 360-276-4780.
