

Taholah School District

Field Trip Permission

I Give permission for my child, _____ to participate in field trips and neighborhood walks around the community, which might include a trip to the beach to gather items for school projects. All trips and walks are taken during school time and are supervised by the teacher.

When major excursions are planned, and are taken on a school bus, you will be notified in advance and you will need to complete and return an off-site permission slip.

Your signature gives permission for trips taken throughout this school year. Please sign and have your child return this to his/her teacher.
